END OF LIFE Notice

Product:

Model Name:	Model Number:
TSB	92-7053xxxxxxxx

Purpose: In the PC marketplace, changes in technology and obsolescence of components dictate the life cycle of products. Unfortunately, this forces Trenton Systems into providing our customers with EOL notices. When such cases arise, we offer our customers the most flexible and supportive options in hopes of sustaining the longevity of their product. We understand the importance of this board to your product line and will make every effort to fulfill your requirements.

Description:

EOL Notice:

Effective EOL Date:	November 01, 2018
Last Time Buy Date:	January 25, 2019
Last Time delivery:	December 31, 2020

Submit your SBC or System product requirements as soon as possible.

Option for Custom Orders:
After the completion of the EOL dates, Trenton Systems will accept ***based on component availability in the market from viable/approved suppliers*** a non-cancelable, non-refundable purchase order with scheduled deliveries with minimum order quantity which will be dictated by market conditions. All deliveries must be completed within 12 months of purchase order date. The estimated delivery date for the first shipment could be up to 16 weeks ARO. Please contact your Account Manager for a "custom order" product price quotation.

Replacement: Trenton Systems continues to offer a complete product line of Single Board Computers, Backplanes, and System solutions for your applications. Visit our web site for complete product details: www.TrentonSystems.com.

Call your Account Manager to discuss the best option for your requirement.

Thank you,
